OPTION 1

US\$594.

Once you paid \$594

You will receive 10 (ten) products which you'll retail for \$99 each.

You'll sell all the 10 for a total revenue of \$990. You'll therefore, pocket \$495 profits.

OPTION 2

US\$237 for 4 samples.

You can order as many thousands or as many hundreds as you'll want, however, the minimum order are 4 or 10 products.

Note: A New Merchant must order at least the 4 samples in order to feel and know the product you're to sell or promote.

The reason for 4 samples was because we did not want to send you only 1 sample, then, charge you \$100 or more extra as shipping & handling fee

DOES EBAY CHARGE SELLERS /MERCHANTS ANY MONEY?

Yes, Ebay said: We charge two main types of selling fees: an insertion fee when you create a listing, and a final value fee when your item sells.

As for us, a cashforce1 merchant sells our products (A2Z PUBLICITY GROUP Products). Your listings are OUR PRODUCTS and not your own products as Ebay merchants are. We save you that headache of finding good products to list and sell.

Additionally, ebay does not own or represent the owner of the products their merchants are n selling and does not have an up to \$50,000 income WEEKLY guided income business plan or platform for sellers/merchants to utilise or to follow as we have

DO YOU PROVIDE LEADS & BACK OFFICE SUPPORT?

Yes, we do. We'll supply you with leads and you're free to find your own leads as well.

DO I NEED A DEGREE TO GET INVOLVED IN THIS?

No, but you must be a computer literate person.

You must know how to use the internet, emailing, Texting, Faxing online and etc.

Your cashforce1 Merchant's Store will be established ONLINE for you and your customers can be directed to your online store/page by you to order from your web replicated page.

You'll forward the orders to us and we'll ship directly to your customers or we can ship the merchandise to you while you ship them to your clients/customers.

HOW WILL YOU PAY ME? WEEKLY OR MONTHLY?

Weekly! Every Friday

Your commission will be posted online at or to your site every FRIDAY. Upon your request, Your income will be directly deposited into your bank account or we can send it out to your address by check or money order.(cutting checks are extra workload)

DO YOU DEDUCT TAXES OFF MY PAY?

According to the Cashforce1 program, you are an independent contractor or merchant and you are self-employed. That said, we will NOT deduct taxes off your pay. You'll have to file your own earnings/income with the IRS through your accountant or by yourself.

CAN I USE MY NAME OR A COMPANY NAME TO BECOME A CASHFORCE MERCHANT?

Sure, you can use your own name OR your business name. However, we'll need a certified photocopy of your business name registration on file if you'll prefer to use a business name.

No, we won't.

ARE YOU READY FOR, THE UP TO \$99,000 WEEKLY?

SIMPLE BUT VERY POWERFUL MONEY MAKING SYSTEMS -

CAUTION: Be very careful because what we are about to reveal is very SIMPLY, too simple, you may fail to take it seriously but it's a dynamite money maker that could turn you into a multi-millionaire in a very short period of time if you take it seriously

HERE'S EXACTLY HOW YOU'LL EARN THE UP TO \$100,000 WEEKLY. \$5.1 MILLION YEARLY

Let's start

“

UNDER THE “cashforce WORK A JOB”

Every Cashforce1 merchant is given the RIGHT to sell as many product as he/she could sell weekly and pocket a 40% commission.

We can even ship the products to directly to your customers if you want.

If you market 3 - 100 weekly, you,you'll earn a 148.50 - \$4,950 weekly commission

“

HOWEVER, UNDER THE “cashforce CREATE JOBS”

Every Cashforce1 merchant is given the RIGHT to refer or introduce up to 10 new Cashforce1 merchants to us.

Just introduce/refer them to the business. It is very easy to invite people to JOIN a business opportunity which will earn them up to \$50,000 weekly WHILE THEY WORK PART TIME.

That's why we called it **CASHFORCE CREATE JOBS**
By this we mean, you are helping people find Jobs.

The markets is huge with more than 400 million potential customers who are spending more than \$165 Billion a year in the USA alone on digital media advertising

How do I earn the up to \$99,000 weekly. \$5.1 million a year?

Simple, all you'll need to do is invite only **A MAXIMUM OF 10 people** into the business.

For example, Invite 2 every month and you'll have the 10 within 5 months but you could have them all within 4 weeks (That'll be 2 - 3 sales a wk)

LOOK, IT'S VERY EASY TO INVITE 10 PEOPLE TO START A BUSINESS WHICH COULD EARN THEM UP TO \$99,000 WEEKLY INCOME WITHOUT INVESTING A HUGE AMOUNT. YES, YOU CAN DO THIS. YOU CAN GET YOUR 10 PEOPLE TO WORK

When you refer 10 and these 10 refer their own 10 x 4 deep. You'll have $10 \times 10 \times 10 \times 10 =$ Up to 10,000 merchants under your network.

Note: Do you want to be successful in this? The follow the simple key & trick. The Key & trick to the success in this is when you worry only about getting your own 10. Don't worry about the 10,000. Leave that 10,000 headaches to us at the head-office to motivate your 10 for you

Whenever these up to 10,000 merchants sold a product for \$99 or more, we'll pay you 10% or \$9.90 or more. Multiply that by 10,000 ($10,000 \times \$9.99$) = **\$99,000.00 weekly. = \$5,148,000. (\$5.1 million) a year for you for doing nothing or doing no selling**

The above illustration is assuming each of your up to 10,000 downline of yours sold only 1 product in a whole week for only \$99

Even if each of the 10,000 sold only 1 product every month, you'll earn the **\$99,000.00 monthly = \$1,188,000 income for you** for doing nothing or doing no selling

What of if each of the 10,000 downline sold only 1 product every 3 months (90 days), you'll earn the **\$99,000.00 every 3 months = \$396,000 a year for you for doing nothing or doing no selling**

You  Refer up to 10 new cashforce1 merchants

They  **Your 10 referrals** & **Their 1 -10 x 10 x10** = **Up to 10,000 merchants**

Whenever you invited or referred up to 10 and their network referred up to 10,000, we'll pay you \$9.90 or 10% each time these up to 10,000 merchants sold product for \$99 each time.

We'll pay THEM their \$39.60 or 40% direct commission on the \$99 sales then, we'll pay YOU \$9.90 or 10% of the \$99 as cashforce1 THANK YOU commission. Thank you for referring them

Note: **We'll not cheat them for you.** We'll not take the \$9.90 or the 10% from their \$39.60 rightful commission and pay them \$39.60 We'll pay you the \$9.90 from our company's purse

WHAT OF IF I CANNOT GET ALL THE 10,000 DOWNLINE UNDERNEATH ME. WOULD I STILL MAKE MONEY?

You are free to register a lower number. Say 1 - 10 for example and they are free to do the same. However, you must refer at least one new ACTIVE merchant into the system in order to qualifiedly be in the networking create jobs system.

You'll still make a lot of money whether your downline did not refer all the maximum of 10,000. Even with only a few 100 referrals/downline under you, you'll still be earning a lot of money.

We repeat; Do you want to be successful in this? Then follow the simple key & trick. The Key & trick to success in this is when you worry only about getting your own 10. Don't worry about the 10,000. Leave that 10,000 headaches to us at the head-office to motivate your 10 for you.

HOW DO I MAKE MORE MONEY WITH CASHFORCE CREATE JOBS THAN WITH LULU WORK A JOB.

If you sold 1,000 membership card products in a year with cashforce1 work a job, **You'll earn only \$49,500 a year commission. That's \$39.60 or 40% commission from every \$99 product sold**

On the other hands, with cashforce1 create jobs, If you refer only 10 new merchants to us and EACH of them refer 1 - 10 x 4 deep new workers/merchants.

That's 10,000 referrals. If each of them sold an average of only 1 product in one whole week. You'll get 10% OR $\$9.90 \times 10,000 = \$99,000$ weekly.

Imaging they each sold 10 cards/products a week, you'll earn = $\$9.90 \times 10 \times 10,000$ **That's = \$990,000 weekly. That's a whopping \$51,480,000 (\$51.4 million) a year for you for selling nothing by yourself after you've referred the new merchants/ distributors to be selling**

It's unbelievable. Simply referring people to have their own business can make you a lot of money.

In conclusion,

Therefore, keep selling and keep

earning your steady \$39.50 or 40% commission

but at the same time Recruit new merchants for us under our cashforce1 create jobs program. The latter could make you a multi-millionaire

Change your life now financially as of today

SERIOUSLY, IT MAY BE TOO HARD FOR YOU TO EARN A GOOD INCOME FROM THIS IF IT WERE TO BE DONE BY YOURSELF ALONE?

For example, For you to sell and earn \$6,732.68 weekly by yourself , you'll need to sell 170 gift cards a week
You'll get paid $\$39.60 \times 170 = \$6,732$ commission.

Can you sell 170 products ALONE in a week?
Likely not or impossible or not common.

O.K, HOW ABOUT HAVING, your 170 downline of yours doing only 4 sales a week? you'll have (4×170) 680 sales a week and a $\$9.90 \times 680 = \$6,732$ income weekly.

That'll be the same **\$6,743** coming to you every week but without you doing any sales and without your sweating. It'll come from your referrals making only 4 sales a week.

Understood? Use the power of networking to earn money.

Quick Note: Remember, the maximum number of merchants you can sign-up for us directly is 10, you can succeed in signing up all the 10 within 1 - 3 months or in a single day within your first campaign.

More than 27 million job seekers!

Since more than 27 million people are out there working from home and looking for legitimate home-based income opportunities to add, you can easily bring in your 10 new merchants/distributors very easily.

ANOTHER POSSIBILITY IS:

Imagine having 1,010 merchants doing an average of 14 sales weekly, 2 daily

That's $\$9.90 \times 14 \text{ sales} \times 1,010$
merchants

= **\$139,986.00** (almost \$140K) weekly
income for you for doing nothing.

**IT'LL BE PRACTICALLY
IMPOSSIBLE FOR YOU TO
EARN OVER \$140K WEEKLY
IF THIS WERE TO BE DONE
BY YOURSELF ALONE**

or can you close 14,140 sales weekly by
yourself alone?

Use the power of Networking.

WHAT HAVE YOU GOT TO LOSE?

Here is a business you could start part time from your kitchen table **WITHOUT A BIG START UP INVESTMENT.**

You'll invest only USD \$237.60 or \$594 to start it.

Under the WORK A JOB PLAN:

Order more products later under the and keep earning money

Under the CREATE JOB PLAN:

Take 1 - 3 or even 6 months to build your network and bring 1-10 partners.

Sit back and be collecting income every week possibly for life possibly.

Up to \$99,000 weekly. \$51.2 million yearly for life.

I'M WORRIED, I STILL DON'T KNOW HOW I CAN POSSIBLY RECRUIT OR REFER UP TO 10 MERCHANTS OR DISTRIBUTORS INTO MY TEAM. IS IT REALLY POSSIBLE?

Worry not!

If you THINK that you cannot refer up to 10 people, ONLY 10 hungry WORK FROM HOME seekers who could start this work today while every statistic indicators are pointing to the fact **that there are over 27 million part time business opportunities work from home seekers out there**, then, I'll say that your thinking of impossibility is very wrong and it belittles or renders useless, your capability.

It's like telling yourself that you cannot be a \$ millionaire or \$ billionaire or no one else can.

BE DIFFERENT. Only people who were different became RICH.

We want you to **refer** up to 10 new merchants. We'll assist you. We'll provide you with a website, Leads and know-how to recruit your first 10 once you've signed up as our new merchant/distributor

We will do our part to make it easier for you to refer new merchants.
In less than 5 minutes AFTER YOU'VE SIGNED UP, we'll create a unique web-page for you personally.

If you send your web-page LINK to 1,000 people who are looking to make extra income, you'll get your up 10 before you even know it.

Also, you can use your personalized web page to sell our products and earn a lot of money.

Just direct them to your cashforce1 merchant's personal web=page where they'll either sign-up to become merchants themselves or buy your products.

Yes, it's possible to have 10 recruits or referrals within a matter of weeks AND YOU CAN DO IT.

YOU'LL NOW HAVE THE LICENCE TO EARN A LOT OF MONEY WEEKLY.

Our product retail prices ranges from \$9 - \$25,000 per item.
Our digital online magazine full-page ad rate is: \$10,000

Imagine, we have a product which retails for \$1,500 each for you to sell, your direct commission/income will be \$700 or 40% of \$1,500 and your downline override income will be \$150 or 10% from up to 10,000 downline merchants

Multiply \$150 x 10,000 = \$1,500,000. **That's \$1.5 million weekly for you if your up to 10,000 downline merchants closes a \$1,500 sales per week. That's up to \$78 million a yr for you but you'll start first with a product which retails for only \$99**

Okay, Is this legal?

Yes, It's 100% legal.

**It's very legal to work for us at your home but independently, self-employed as your own BOSS. You manage your time-table and etc. No need to report 9am - 5 pm at our office daily.

You'll be gainfully self-employed legally.

(2) **It's very legal to bring up to 10,000 people, new merchants to us to be gainfully employed as you are.

This reminds me of when I was a little over 20 years old and working in a factory settings. Whenever, there was any job openings or job vacancies, the factory supervisor always told us, the employees first, to bring our friends to fill the positions. It was only if we couldn't have any friends to bring, that factory would put the ad in a public newspaper instead of on the Factory's billboard.

That said, It is not illegal to bring your friends to come and be gainfully self-employed and it's not illegal for us to pay you a thank you compensation for referring them to us.

Note: Our system doesn't pay for head count (not for the # of people you brought) but product sold counts (When or after they sold /distribute our products. 100% legal

The 10% thank you compensation is paid after we've both made the money first. **Business is young, we won't need to buy a full page newspaper ad and pay \$25,000 upfront right now or pay \$70,000 for TV commercial while seeking distributor. Thank you**

Think about it, if you were greedy, you'll not bring those up to 10 -10,000 new merchants to us because they'll spoil the market for you. They'll be selling at the same territory (ies) with you. No doubt, you'll lose some customers to them. Don't worry, we'll give you a 10-% thank you compensation whenever they sold a product for us

(5) ****If you know MLM laws, you'll know that it is legal for us (the company) to give you the 10% thank you pay from the sales proceeds of the new merchants that you referred because, the money we'll pay you are from sold products income, they're therefore, not from any illegal head-counts income as it is in some illegal MLM.**

(6) **We won't hold your commission until you complete or reach the top of your MLM Matrix cycles. In other words, we don't wait until you make all the 10 sales before we pay you your \$39.60 or 40% each**

(7) ****Furthermore, our 10% compensation system does not penalize the new merchants. In other words, we would pay 40% commission to all new merchants (you referred) whenever they closed sales directly. We'll not pay them 30% and send you 10%. They will not get less money for doing same work. That'll be illegal if they did**

No, we'll pay them their own 40% for their direct sales closed. The 10% override or thank you commission that we'll send to you per sales would come from us, the company.

Our commission & compensation plan have passed all the networking and mlm law requirements.

Work with confidence. We abide by the law and YES, we are 100% legal

I DON'T MIND IF BIG MONEY WOULD COME FROM THEM (A LOT OF \$9.90) BUT COULD I EARN MONEY FROM THIS SYSTEM TO PAY MY BILLS WITHOUT DEPENDING ON ANY INCOME THAT'LL COME TO ME FROM OTHER MERCHANTS or DOWNLINE?

Yes, you can! Imagine one of the products you are selling retails for \$99 and your direct commission is 40%. That's \$39.60

If you want **\$5,000 a week, \$20,000 monthly**, simply sell only 127 cards a week by yourself

If it's **\$1,000 weekly, \$4,000 monthly** that you wanted, simply sell only 25 gift cards a week by yourself

If you just wanted only **\$500 weekly, \$2,000 a month** simply sell only 12 gift cards a week by yourself

....and so on and so forth

THERE IS NO SECRET

I SIMPLY SHOWED THE PLAN TO 1200 PEOPLE. 900 SAID NO AND ONLY 300 SIGNED UP. OUT OF THOSE 300, ONLY 85 DID ANYTHING AT ALL. OUT OF THOSE 85 ONLY 35 WERE SERIOUS AND OUT OF THOSE 35, 11 MADE ME A MULTI-MILLIONAIRE.
